

SVH LIBER 238 FOLIO 34  
RECORDED

01/02/2013

N.T.S.

**Forest Conservation:**  
In accordance with Subtitle IV, Section 1-403(b)(23) of the Natural Resources Article of Worcester County Code of Public Local Laws, this minor subdivision located in the A-1 and C-1 or RP zoning Districts as defined in the Worcester County Zoning and Subdivision Control Article is exempt from the County's Forest Conservation Law since the proposed lot contained within its boundaries a building, structure or use of land that required a zoning or building permit and existed as of July 29, 1994, if the subdivision does not result in any cutting, clearing, or grading of a forest; and it is not a resubdivision of a lot previously subdivided as an exemption pursuant to this subsection. Furthermore, any future approval of this land for a regulated activity shall be subject to the County's Forest Conservation Law.

**Surveyor's Certification**  
I hereby certify, to the best of my knowledge and belief, that the requirements of section 3-108 of the Real Property Article of the Annotated Code of Maryland (1981) concerning the making of this plat and the setting of markers has been complied with. This plat was prepared under my direct control and supervision.

**WORCESTER COUNTY ENVIRONMENTAL PROGRAMS:**

**LOT 1**  
Demolished House SRA 1 :  
This subdivision is approved for interim individual water supply and sewage disposal systems in accordance with the County Comprehensive Water and Sewer Plan. The applicant or any future owner must discontinue use of these systems and connect to the community system(s) when available. The disposal systems are RESTRICTED TO SPECIAL DESIGNS meeting current Environmental Programs standards. Water supplying the wells shall be from a confined aquifer (approximately 50 feet below the ground level) or some deeper confined aquifer. (For each dwelling unit, a minimum of 10,000 sq. ft., exclusive of buildings, easements, right-of-ways and such other permanent or physical objects, shall be provided for the subsurface disposal of sewage). Soil evaluations were completed based on existing elevations. Any alternations of elevation or changes in grade are prohibited without prior approval of this office.

The grant of a permit or approval of this subdivision shall not constitute a representation, guarantee, or warranty of any kind by Worcester County or by any official or employee thereof, of the practicality, build ability, or safety or any proposed use, and shall create no liability upon the County, its officials, or employees.

Any approval by the Department of the Environment of any sewer or water systems or suitability thereof is based upon State and County standards existing as of the date of this approval, such standards are subject to change and a building and /or wastewater disposal permit may be denied in the future. In the event current standards cannot be met as of the date of application for such permit, the approval shown here on is not sufficient approval for a future building and/or wastewater disposal permit.

Existing Trailer SRA 2:  
This lot is approved with existing water and sewage facilities as shown. This does not indicate that the quality of these systems has been evaluated. The 10,000 sq. ft., sewage reserve area must remain free of buildings easements right-of-ways and any other permanent or physical objects and be reserved for future sewage disposal. In addition, any future changes to these systems first require an evaluation and permit from Environmental Programs.

This subdivision is approved for interim individual water supply and sewage disposal systems in accordance with the County Comprehensive Water and Sewer Plan. The applicant or any future owner must discontinue use of these systems and connect to the community system(s) when available.

**WORCESTER COUNTY PLANNING AND ZONING COMMISSION:**

The grant of a permit or approval of this subdivision shall not constitute a representation, guarantee, or warranty of any kind by Worcester County or by any official or employee thereof of the practicability, buildability, or safety of any proposed use, and shall create no liability upon the County, its officials, or employees.

Any Approval by the Department of the Environment of any sewer or water system or suitability therefore is based upon State and County standards existing as of the date of approval. Such standards are subject to change and a building permit may be denied in the future, in the event current standards cannot be met as of the date of application for such permit. The Approval shown hereon is not sufficient approval for such a building permit.

Worcester County does not guarantee the development or construction of any amenities shown on this plat. All such amenities shall be the responsibility of the owner and developer of this subdivision.
