OWNER'S CERTIFICATION

The subdivision of land as shown on this plat is with free consent and in accordance with the desires of the owners, proprietors, and trustees, if any, therefor. The requirements of Section 3-108 of the Real Property Article of the Annotated Code of Maryland as far as they relate to the making of this plat and the setting of markers have been complied with.

A 10' wide strip across the front of Revised Parcel 197 and the adjoining roadway is offered in dedication for the future widening of Campbelltown Road. Acceptance of such offer may take place at any time by appropriate act of the County Commissioners. The County Commissioners are in no way required to accept such offer. The offer may not be withdrawn without consent of the County Commissioners.

WORCESTER COUNTY PLANNING COMMISSION

The grant of a permit or approval of this subdivision shall not constitute a representation, guarantee or warranty of any kind by Worcester County or by any official or employee thereof of the practicability, buildability or safety of any proposed use, and shall create no liability upon the County, its officials or employees. Any approval by the Department of the Environment of any sewer or water system or suitability therefore is based upon State and County water system or suitability therefore is based upon State and County standards existing as of the date of approval. Such standards are subject to change and a building permit may be denied in the future, in the event current standards cannot be met as of the date of approval for such permit. The approval shown herein is not sufficient approval for a building permit. Worcester County does not guarantee the development or construction of any amenities shown on this plat. All such amenities shall be the responsibility of the owner and developer of this subdivision.

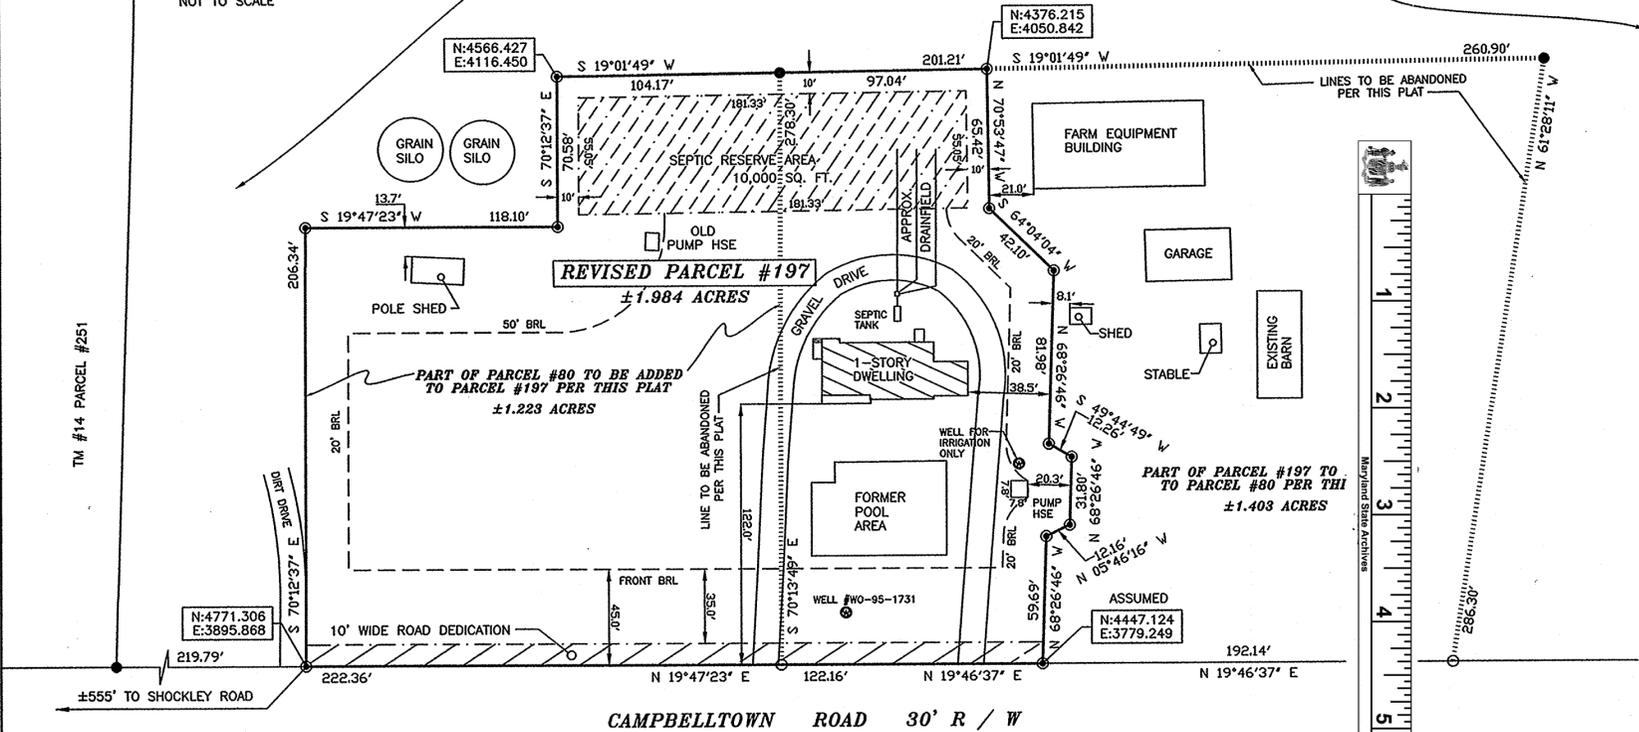

B.L. Cagley 2/6/2014
Worcester County Planning Commission Date

WORCESTER COUNTY ENVIRONMENTAL PROGRAMS:

Revised Parcel #197 is approved with existing water and sewage facilities as shown. This does not indicate that the quality of these systems has been evaluated. The 10,000 sq. ft., sewage reserve area must remain free of buildings easements right-of-ways and any other permanent or physical objects and be reserved for future sewage disposal. Also any future changes to these systems first requires an evaluation and permit from Environmental Programs.

The remaining lands (Parcel 80) are approved for agricultural purposes only.
