- Pittsville map should be Revisited; too many items were missed during the last Verification

We will revise corp. limits placement on MD 346 when new map is made

Pittsville discrepancies  
MD 346, Old Ocean City Rd -  
2) the distance from MD 353 (m.p. 9.37) to the Western Corp. limits is 2950 ft ± (0.46 mile), which should put the corp. limits at m.p. 8.91. But the distance from W. Main St, Co 324 (m.p. 8.90) to the corp. limits is 450 ft ± (0.09), which would put the corp. limits at m.p. 8.87 - Currently, the corp. limits are shown at m.p. 8.86.  
- Map might be incorrect - will field verify. Please revise map - inventory remains as is.

RE: Pittsville municipal map changes  
3/16/94

The Alignment changes made on MD 346 are based on the assumption the intersections of MD 346 and MD 353 ~~is~~ are at the correct alignment and distance corresponding to the inventory milepoint (m.p. 9.37); all revisions are based on that milepoint.

We will change the corporate limits in the inventory when we receive a revised municipal map. We will also reverify the map with the inventories and databases at that time.
