RE: Contract W-520-505-670
F.A.P. No. APD-100-1(26)
Grading, Drainage and Paving of a
Diamond Interchange at Relocated
Woodmont Road and Construction of
a Three (3) Span Steel Beam Bridge
over U.S. Route 48
PDMS #214023

Mr. Robert E. Miller, P.E.
Vice President
C. William Hetzer, Inc.
Post Office Box 506
Hagerstown, Maryland 21740

Dear Mr. Miller:

This is to notify you of the acceptance for maintenance on November 13, 1987, of the above noted contract by the State Highway Administration. The C. William Hetzer, Inc., is hereby relieved of any further responsibility for maintenance on this contract.

Final acceptance of this contract will be given when the following items have been completed and as soon as a materials clearance is given by the State Highway Administration Division of Materials and Research.

- 1) Remove the solid paint line at the exit and entrance of each ramp.
- 2) The variable message signs must be serviced and approved by the Traffic Division in Glen Burnie, Maryland.
- 3) The Potomac Edison line across the waste area must have a minimum vertical clearance of 16 ft.

It is anticipated that the final quantities on all items will be computed by January 13, 1988, and will be ready for your inspection at that time.

My telephone number is (301) 777-2145
