DEPARTMENT OF TRANSPORTATION

STATE HIGHWAY ADMINISTRATION

PERMIT NUMBER
B-F-3883-90

OF MARYLAND

DATE OF ISSUE
June 8, 1990ROUTE
180

Baltimore, Md.

EXPIRATION DATE
June 8, 1991

PERMISSION IS HEREBY GIVEN:

QUAD RESIDENTIAL DEVELOPMENT INC, 6525 BELCREST ROAD SUITE 300, HYATTSVILLE, MD, 20782, 301-779-4800, so far as the State Highway Administration has the right and power to grant same, to reconstruct Himes Avenue extended located on the north side of (Route 180) 320 feet east of Butterfly Lane and widen Ramp 'D' from U.S. Route 15/340 to Maryland Route 180 in conjunction with the Overlook Subdivision.

Unless otherwise specified below, construction shall be in accordance with Maryland State Highway construction standards, specifications and the attached plan specifically sheets 4 and 5, as revised in red, copies of which are on file in this office.

It is agreed and understood that the issuance of this permit shall be construed to indicate complete acceptance of the specifications and terms outlined therein, unless the permittee notifies the State Highway Administration to the contrary within ten (10) days from the issued date.

IMPORTANT:

Notify Mr. Nelson Smith, Permit Inspector, State Highway Administration, Frederick, Maryland (Phone: 301-694-2025) 48 hours in advance of commencing work.

AND

Make notifications in accordance with sections 1:Utilities and 5:Traffic prior to commencing work.

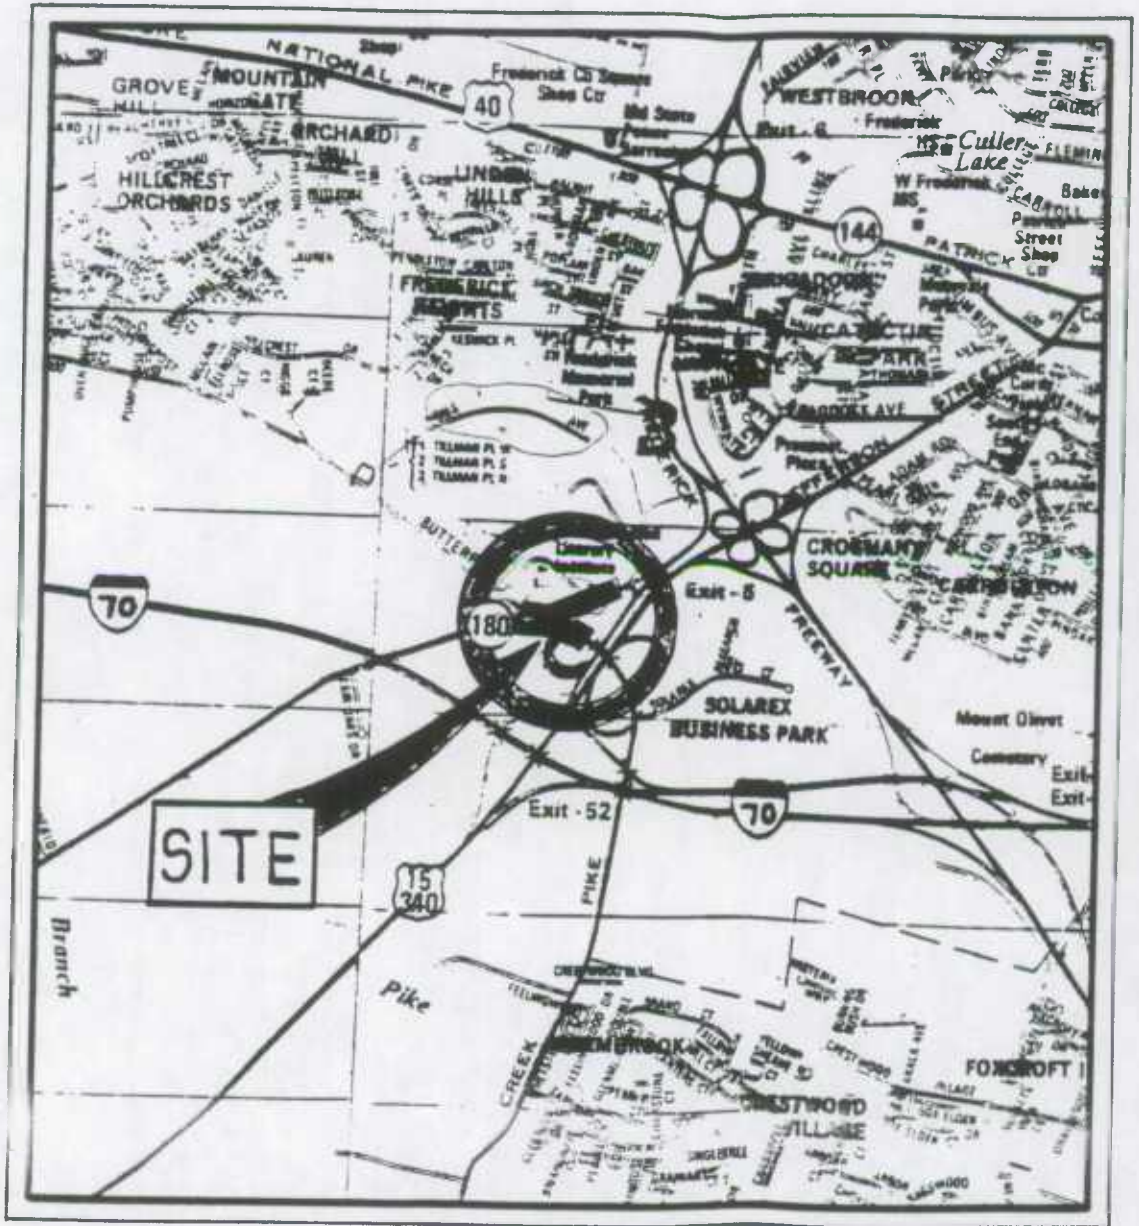

NOTE: If prior notice has not been given, it will be necessary to immediately suspend work for a minimum period of 24 hours to allow time for notification to the proper agencies.

It is necessary that a copy of the SHA's Permit be on the job site at all times, in order that the Permittee's personnel and/or the Permittee's Contractor is in a position to comply with the requirements of the permit. The Permit Inspector shall have the option of closing down projects where the Permittee's representative does not have a copy of the permit on the job site and/or is not familiar with the contents of the permit.

The District Engineer has requested that an SHA inspector may be assigned to this construction. It is agreed and understood by the acceptance of this permit, that the Permittee shall reimburse the SHA for the full cost of this inspection. Arrangements shall be made with the District Engineer to pay for this service prior to the beginning of any construction outlined in this permit.
