Director
Anne Arundel County Department of
Planning and Zoning
2664 Riva Road
Annapolis MD 21401

Please replace the Baltimore Urban Area B map that was sent to you on December 16, 2003, with the revised enclosed map.

Dear Mr. Rutter:

Thank you for participating in the update of the Federal Urban Boundaries. We have received Federal Approval for Anne Arundel County. Enclosed are maps reflecting the new urban and urbanized areas on the existing functional classification base. If you need additional map copies, please contact Ms. Marilyn McNeill, in our Highway Information Services Division, at 410-545-8747, 1-888-204-4828 or mmcneill@sha.state.md.us. Upon request, a CD could also be provided which would enable your office to plot additional maps if you have ESRI's Arc View software.

As previously noted, we may be contacting you this Winter to review and revise, if necessary, the Federal Functional Classification system. I encourage you to meet with your Department of Public Works and with the City of Annapolis, at your convenience, to review the functional maps for Anne Arundel County. Please provide any suggested changes to Mr. James E. Thompson, Assistant Division Chief of our Regional and Intermodal Planning Division, at Mail Stop C-502, 707 North Calvert Street, Baltimore MD 21202. Mr. Thompson may also be reached at 410-545-5675, 1-888-204-4828 or jthompson@sha.state.md.us.

Again, thank you for your continued participation in this process. If you have any questions regarding the process, please contact Mr. Thompson.

Sincerely,

Dennis N. Simpson, Chief
