Wednesday, September 20th, 1944.

THE STATE BOARD OF FUNERAL DIRECTORS AND EMBALMERS OF MARYLAND.

The special meeting of the Board was called to order by President Farley with the following members present:

Mr. George A. Farley, President,
Mr. William F. Wooden, Vice-president,
Mr. Edward L. Lilly, Treasurer,
Mr. Sol Levinson,
Mr. Leonard J. Ruck,
Mr. Charles E. Delosier.

This special meeting was called for the purpose of giving a special funeral director's examination to William W. Chambers, Jr. who is at present in the United States Army.

Upon reviewing his application, together with the required fee of \$25.00 and \$40.00 to cover the additional expenses of a special examination making a total of \$65.00, Mr. Chambers was given the funeral director's examination.

Upon completing this examination it was found, after his papers had been marked, that he had an average greater than the required passing average of seventy-five per cent, and upon motion made by Mr. Ruck, seconded by Mr. Lilly, in as much as Mr. William W. Chambers, Jr. had received an average of eighty-one per cent he be declared passed and be so notified, and that upon payment of the additional fee of \$5.00 he be issued a funeral director's license. SO ORDERED.

Mr. Levinson moved, seconded by Mr. Lilly, that the meeting now adjourn. SO ORDERED.

Secretary

Friday, October 13th, 1944.

THE STATE BOARD OF FUNERAL DIRECTORS AND EMBALMERS OF MARYLAND.

The regular meeting of the Board was called to order by President Farley with the following members present:

Mr. George A. Farley, President,
Mr. William F. Wooden, Vice-president,
Mr. Sol Levinson,
Mr. Franklin B. Hill,
Mr. Leonard J. Ruck,
Mr. Charles E. Delosier.

There being no corrections the minutes of the meeting held September 8th and September 20th were approved as read.

Mr. Farley made a report for the committee composed of Mr. Farley, Mr. Wooden and Mr. Delosier, and stated in that report that the members of the committee had called on Commissioner of Police, Ackinson, regarding Martin Conroy, copy of which report is in the file of Martin Conroy, and Commissioner Ackinson had promised to stop the practice of solicitation in the police station by Conroy, and also stated that if Conroy did not stop he would force him to resign.

Mr. Wooden moved, seconded by Mr. Delosier, that the application of Earl B. Wolverton and Son, Incorporated for license to practice funeral directing in Maryland be denied for the following reason: In 1939 when the Legislature amended the statute and passed this legislation, which was subsequently signed by the Governor, there was a reason for this wise and needed action. Formerly thoroughly unqualified persons, without experience or ability, those wholly unable to pass any type of State examination, needed to form a corporation and it became obligatory, upon mere application for a license to the State Board of Funeral Directors and Embalmers of Maryland, to issue it. In the interest of good public policy, the legislature enacted the present law. To now license such unqualified persons as these under the name and guise of a corporation would be a willful, negligent and gross violation by this Board, of the purpose and intent of the legislature and defeat the very reason for which they enacted such a law and a flagrant disregard of the good public policy reasoning of the legislature which so obviously made the new enactment wise and necessary. To further justify the Board's action and attitude in this motion, attention is directed to ages of the individuals. One of the principals, the son, must of necessity be a mere infant, as his father's age is now only years.

SO ORDERED.

Mr. Ruck moved, seconded by Mr. Levinson, that the applications of May V. Singleton, Dorothy E. Strong and John E. Keene for funeral director's apprenticeship registrations be approved, and the Secretary issue same upon the payment of the required fees.

SO ORDERED.

- Minutes October 13th, 1944 -

Letter of Horace E. Dolan, Jr., requesting recognition by the Maryland Board, was read, and the Secretary was instructed to notify the H. E. Dolan College of Embalming, Inc. that the Board accepts students from schools and colleges accredited by The Conference of Funeral Service Examining Boards of the United States, Inc. and suggest to him that he apply to this body for accreditation.

The President appointed a committee, consisting of Mr. Wooden as chairman and Messrs. Levinson, Lilly and Delosier, to prepare the budget for the ensuing two years.

Mr. Wooden moved, seconded by Mr. Ruck, that the meeting now adjourn. SO ORDERED.
