

AL-III-C-048 Hillcrest Memorial Park Funeral Chapel  
Cumberland vicinity, Allegany Co. MD  
Eligible, Criterion C

This Gothic style brick tower stands atop a hill overlooking Hillcrest Memorial Park to the south. The structure consists of a two-story-square block laid in Flemish bond topped by a smaller octagonal one-story section laid in all stretcher bond. The octagonal section has a belt course and a crenellated roofline. Gothic arched ventilators pierce each side. Brick buttresses reinforce each corner of the main square section. A pair of Gothic arched windows appears in each side. The entrance is located on the east side. Many of the windows feature elaborate stained glass patterns. It appears to date from the late 19<sup>th</sup> or early 20<sup>th</sup> century.

This is a distinctive and well-designed structure in the Gothic style, which is in good original condition. It is recommended as eligible for the National Register of Historic Places due to high integrity of location, design, setting, materials, workmanship, feeling, and association.

Singing Tower, Hillcrest (cemetery), east of Cumberland

East of Cumberland, the Singing Tower stands at the peak of a hill and is visible from some distance. A memorial structure (or chapel ?), the Singing Tower has a 2 storey brick square base and a 1 storey octagonal stage above. This has louvred lancets. There are corner buttresses and a crenellated top.
