W.D. Groff House
10601 Reisterstown Road
Owings Mills

pre-1863

This house, located between Reisterstown Road and Bonita Avenue, is just west of Groff's Mill (BA-52). The much-altered brick house was the home of the mill owner at least as early as 1850, appearing on the map of that date. In the 1880s Mrs. Elizabeth D. Groff had the house expanded to an L-shape. Early in the 20th century, a third, Mansarded, story was added. The house is now painted white. In recent years it was the home of William D. Groff, Sr., who conducted either milling or feed businesses on the premises from 1906 until his retirement at age 80. Mr. Groff died in February, 1978.
