PARKTON RAILROAD (NCRR) STATION (SITE) - 1883 - West side of NCRR tracks opposite Parkton Hotel. The station at this location served both Parkton passengers and as

an office for the superintendent of the Parkton Local line, which ran until 1959. Photo shows the station as a one-story frame and clapboard rectangular building in functional style; five bays by two bays; with gable roof (Shown in Sun Magazine, July 5, 1959, p. 2). Torn down, 196_.
