DOUTON'S OR DOWDEN'S CHAPEL - Before 1877 - 4130 Ridge Road, north side, just east of Belair Road intersection with Putty Hill Avenue. Frame chapel, vertical board and batten, in cottage Gothic. Church is reported to be log under its board covering and the timber was acquired when the Camp Chapel Methodist Church was dismantled at Kingsville. Pews were previously used in Old Gatch Memorial Church. The land was donated in 1849 by Nicholas Gatch. Appears in 1877 atlas as "Cold. Church." It was named for the Rev. C. Douton, who is buried there (year illegible).
