2704 RAILROAD AVENUE  
Chattalonee

### Description

2704 RAILROAD AVENUE is a frame house, two storeys in height, three bays in length. A steep gable is centered in the front or southerly slope of the roof, emphasizing the importance of the principal entrance below in the first storey. A one-storey porch extends across the south front and a two-storey service wing extends to the rear. Exterior walls are covered with asbestos shingles. Windows are 6/6 with louvred blinds and in the central gable a small semi-circular window lights the attic. The only remaining chimney, a single flue, is internally at the north gable. The interior of this house was not examined.

### Significance

The steep gable in the roof of this otherwise traditional house, dating from the late nineteenth century, places it in the Gothic-revival style.

Could not trace this one. The records refer you to the Will Records which I checked out. It is a will belonging to Martha Corbin of Chattolanee (estate number 7687) who died on July 21, 1935. The will was written Oct. 17, 1928 and deeded all possession to her grand-neice Blanche Stewart.
