DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

The Maddux House is a two story frame house with a gable roof and scroll sawn bargeboards dating from the late nineteenth century and located on the southeast side of Old Philadelphia Road (Md. 7) about 50 feet northeast of a small creek crossing under Md. 7 and adjoining BA-2098, German American Protestant Sunday School.

The house is a three bay rectangle with a center entry and a one-story shed roofed porch on the front or northwest elevation. The center bay has a gable with a small 2/2 window. The other windows are 2/2 and are flanked by shutters.

The porch has scroll sawn brackets and the central gable has scrolled bargeboards in an elaborately undulating pattern suggesting Art Nouveau influence.

The foundation is stone and the exterior covering is asbestos shingles. The roofing material is modern composition.

A small frame garage is located to the southeast of the house. A low stone wall separates the site from the right of way along Md. 7.

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

The Maddux House is a good example of the typical late nineteenth and early twentieth century Maryland house in its plan and exterior features. The addition of brackets and bargeboards was also a common decorative element of the period, but those of the Maddux House are particularly interesting and possibly influenced by Art Nouveau designs in furniture and other art at the beginning of the twentieth century.
