Prepare both a summary paragraph and a general description of the resource and its various elements as it exists today.

This house, one of several Colonial Revival style houses on Fifth Avenue, has a steeply pitched hip roof with two front gables. These gables are covered with fish scale slate tiles and the end of each has a multi-paned window with fanlight and architrave surround. A one story verandah extends beyond the facade at both ends and is supported by paired Tuscan columns.
