DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This is a two-story stone farmhouse with a wooden addition off the west gable end. The house measures two bays by three and has a double inside end chimney in the east gable. The woodwork is plain on the exterior with the exception of the front door. The frame is panelled with columns at either side very similar to the Brookings home across the valley. A small Victorian hood has been built overhead.

The roof has been made of slate with a box cornice and simple molding. Between the chimneys is a small window with 4/4 sash. The rest of the windows are six lights over 6.

SPECIFIC DATES

1864

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

This farm has been owned by the same family for almost 200 years. An earlier farmhouse has been destroyed. The present dwelling was built in 1864 according to family records. It is not architecturally significant, but it is in a beautiful setting and adds to the history of the Little Elk Valley.
