

CARR - 718

311 CRANBERRY ROAD

mid-19th century

Westminster vicinity

311 Cranberry Road is a two-story, three-bay by one-bay structure in an L-shaped plan. It is a house of modest proportions and may be constructed of log. While its modern exterior siding obscures the original details, one can still distinguish the narrow six-over-six sash windows. At the rear of the house is a one-story frame washhouse.
