630 LUCABAUGH MILL ROAD

mid-19th century

Westminster vicinity

private

630 Lucabaugh Mill Road is shown as the J. W. Lucabaugh residence on the 1877 map. As it is not shown on the 1862 map, it was probably built between those years. It is a representative regional farmhouse with typical characteristics in plan, proportion, and details. It is constructed of brick in a stretcher bond on a stone foundation. There is a late nineteenth century frame barn on this property.
