---

DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

All that can be seen of the old building on this site is a black metal gable roof and two dormers. Originally, the building was 2-1/2 stories, but the first and second floor fronts have been covered with a metal and glass commercial front. The dormers have pedimented heads and are painted gray. There is one window - double hung with 6/6 sash - in each dormer and over the window is a round arched glass panel divided by criss-crossing arches springing from the tops of the vertical muntins in the top sash of the window below.
