STATEMENT OF SIGNIFICANCE (Include Personages, Dates, Events, Etc.)

What should be the legal disposition of these tangles of trees and honeysuckle? They attract rodents ~~and~~ vandals and real looks.

\* Owner is difficult to trace, perhaps not firmly established by law. This whole tract was sold without mention in the deed of any special restriction or controls for the family cemetery that is part of the tract. Subdivision of land around it included leaving the cemetery out of development. Presumably the developer retains rights to this section which is securely set off from later sale.
