

HO-302
Charles Ringley House
3820 Old Columbia Pike (MD 987)
Ellicott City
Private

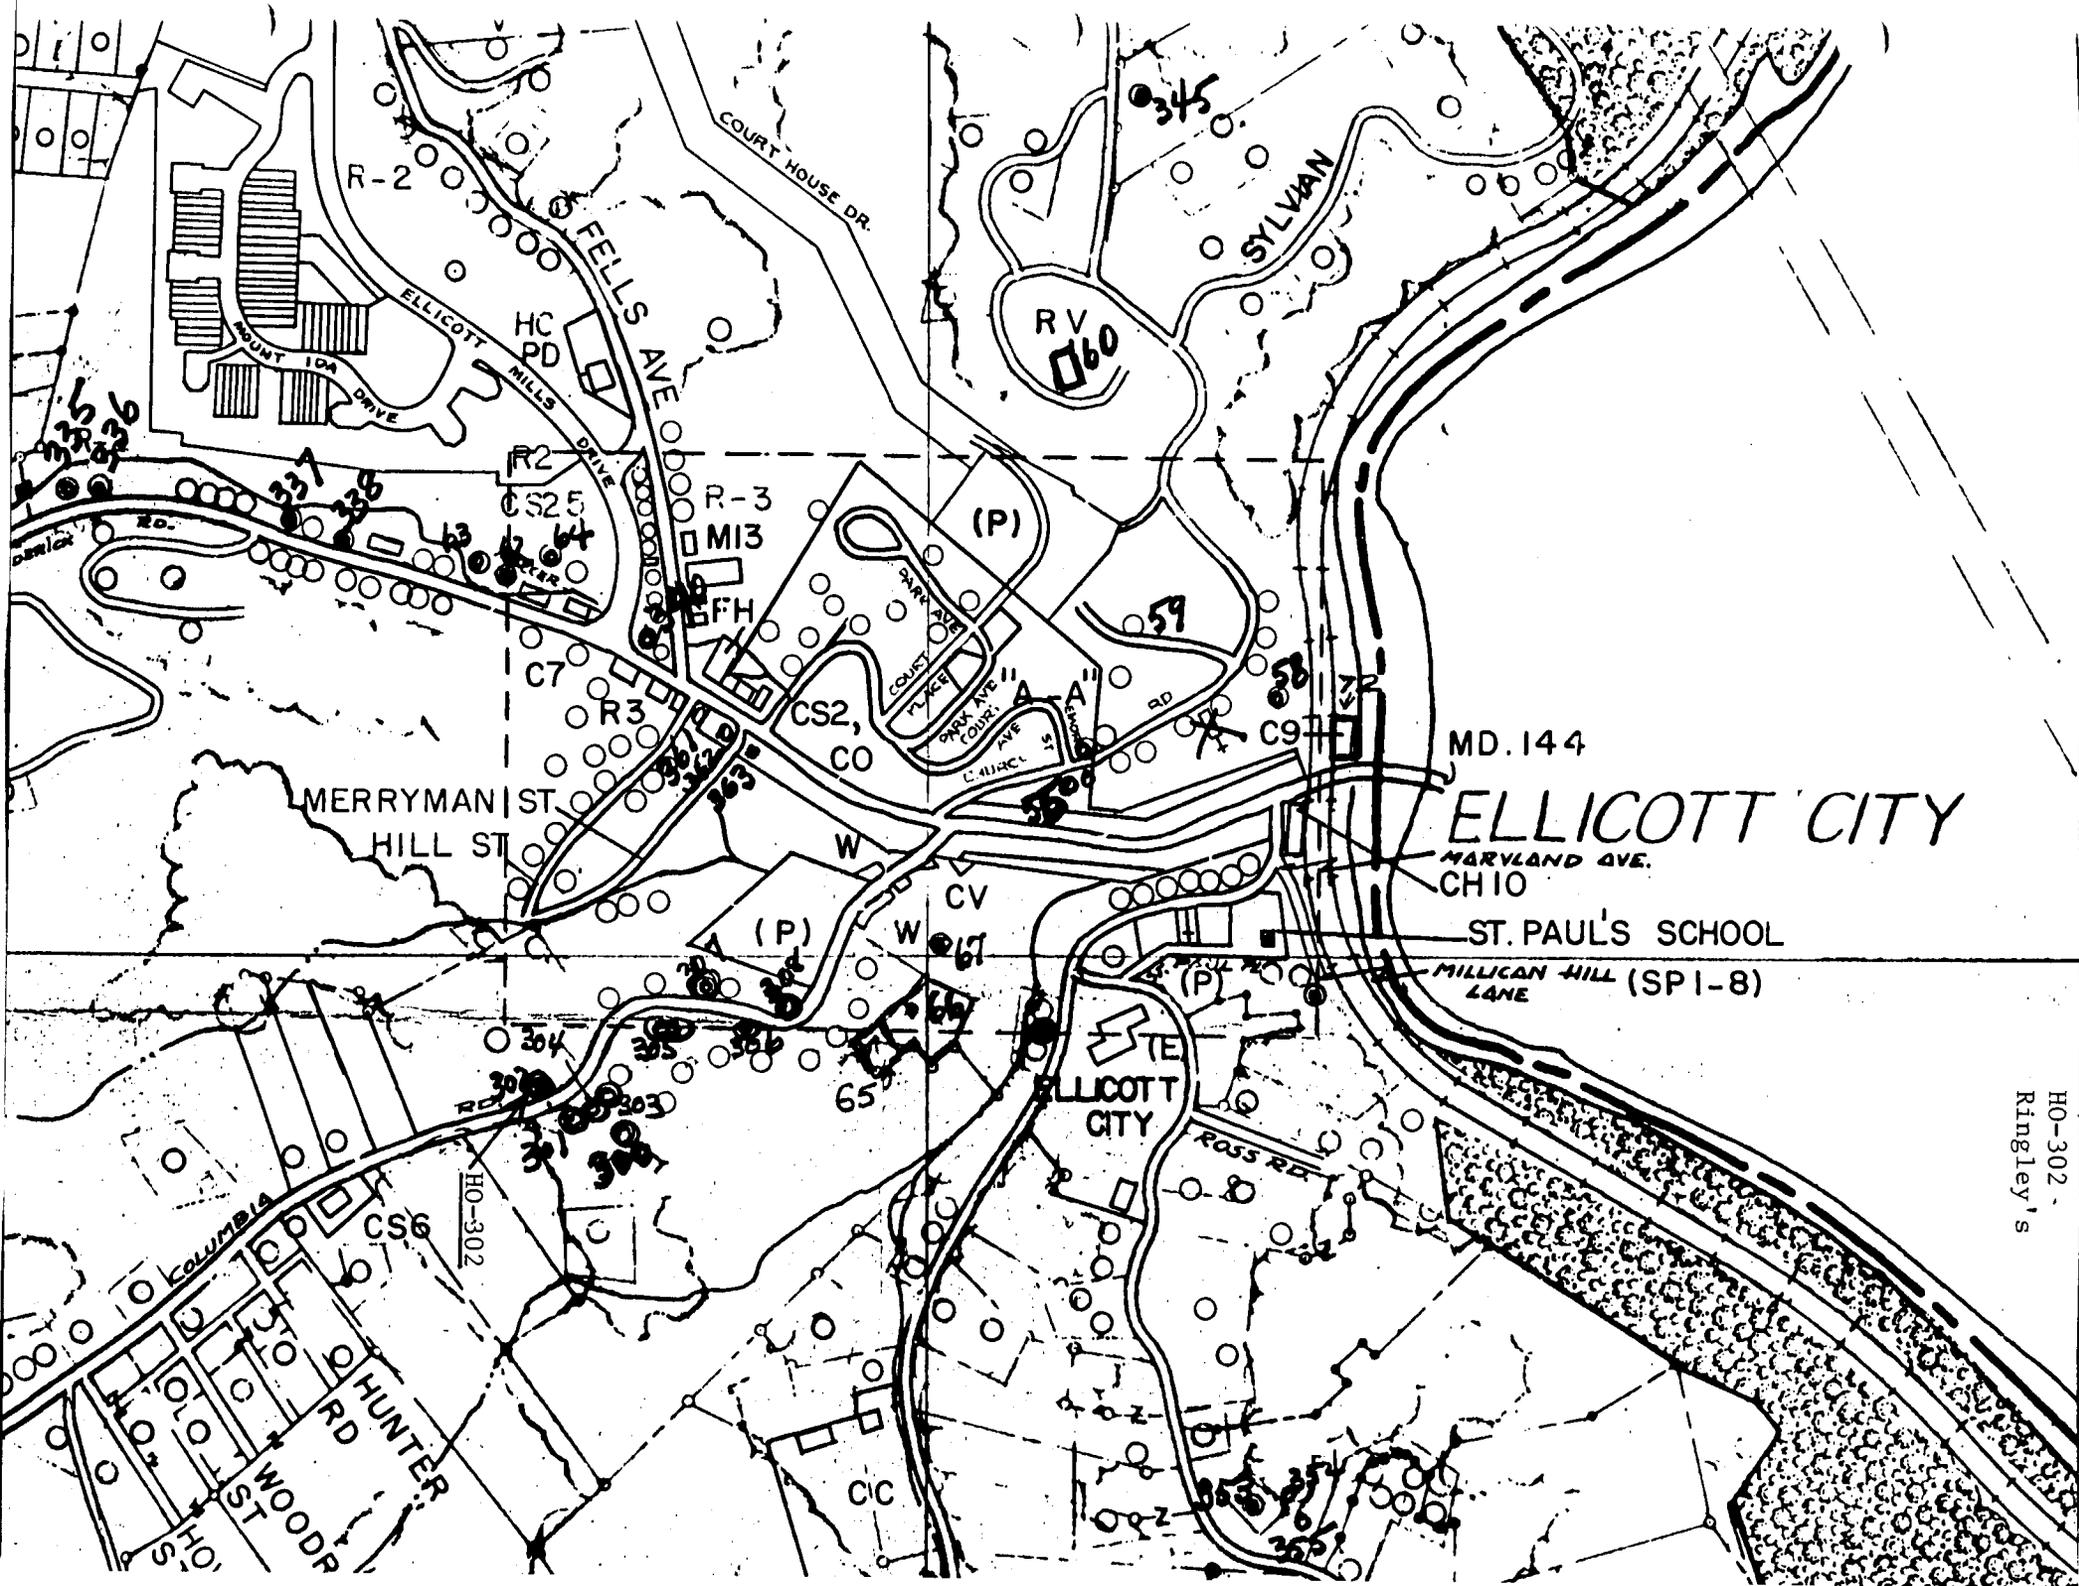

This small, 1 1/2-story frame house has a stone foundation/basement. Three bays wide with a central entrance between 1/1 windows, the house has a shed-roofed addition to the rear with another shed-roofed addition enlarging that. The house faces southeast onto Old Columbia Pike.

The northeast facade has two doors in the basement level, with a 1/1 sash window between. The first floor has a pair of 1/1 windows on the main block, one in the original wing, and a 2-light window in the extension. The attic of the main block has one 1/1 sash window.

The southwest facade has one 1/1 sash window in the attic and 1 small 2-light window below it. It also has a 2-light window in the extension of the rear wing.
