

HO-330

Phoenix Emporium (P. Valmas Building, George Goeller Building)

8053 Main Street

Ellicott City

Private

This two-part building consists of a frame shop with a parapet on the southwest corner of the intersection, and a gable-front brick building slightly to the south, with 6/6-sash windows with splayed jack arches and a 2-story porch with an iron balustrade. This section has gabled dormers and an interior chimney on the south side of the roof.

The frame section, on the corner, has a heavily bracketed wooden cornice between the 1st and 2nd floors, and 1/1 sash windows above. There are two pairs of these on the north facade, and on the east facade there is a pair in the center with single 1/1 windows on either side.

The first floor has large plate glass windows and a brick veneer. The brick veneer continues along the east side of the building, covering the first floor of the brick section, enclosing the first floor of its porch.
