DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This is a late-19th Cen./early-20th Cen. farmhouse, that has been extensively remodeled over the years. Basically an L-shaped structure, the main (west) block has five bays and a second-story, columned porch of recent vintage spans this facade. Several of the windows have been enlarged to form "picture windows". The chimneys are stove-type flues, and there is a two-story ell at the SE rear corner of the main house.

There are several 20th Cen. farm structures on the property.
