This is a two story, gable roof building in an L-shape, with the ell projecting from the southerly end of the facade. It rests on a stone foundation and has six over six light windows. Added to the facade of this earlier structure is a single story rock-faced concrete block building with a gable roof. This newer section now houses two separate stores (one being the Brinklow Post Office). To the front of this section has been added a porch with a large mansard roof.

Prepare both a summary paragraph of significance and a general statement of history and support.

The Brinklow Post Office is significant as the communities store and Post Office, and remains as one of the few rural post offices left in Montgomery County. The present building combines later nineteenth century, frame, vernacular architecture with early twentieth century, rock-faced block, commercial architecture. The original structure was built about 1870 by Cyrus Bowen, a black man. Bowen built his house on 4 acres of "Brothers content" which he purchased as lot #4 in the division of the real estate of the late, James E. Tyson, of Baltimore for \$400 in November of 1869.¹ Cyrus and his wife, Laura R. Bowen sold the property to Harriet I. Lea in March of 1890.² Ms. Lea resided at the adjacent property. It is believed that soon after Bowen sold to property it was converted into a general store, serving Brinklow.

In 1897 Charles Eugene Nichols was given the position of postmaster of Brinklow.³ He purchased the store from Harriet Lea in September of 1898.⁴ He ran the store and post office here; remaining postmaster for 13 years. Thaddeus Mallory was then postmaster for 6 years until 1916 when Charles Hill received the job for 3 years. Hill was then moved to Ashton where he served as postmaster for both Ashton and Brinklow.⁵ Then, in 1921, Richard H. Cuff became the postmaster of Brinklow.⁶ Richard and his wife, Agnes had purchased the store and post office building in March of 1920.⁷ Then, in February of 1925 Charles E. Hill purchased the property and resumed his position as the postmaster of Brinklow.⁸ Hill later added the rock-faced concrete block addition to the front of the store building, probably between 1923 and 1928.⁹

In 1956, Hill sold the building to Grace E. and Benjamin E. Harris.¹⁰ The Harris' ran the store here but the post office was moved to the Lea residence (#18000 New Hampshire Ave., Brinklow).¹¹ Ms. Anne Lea Jones then served as postmistress of Brink-

low; running it from her home for 19 years.¹¹ Meanwhile, the Harris' sold the general store, which was then closed down, to the present owners, Edwin G. Willson and others in July of 1969.¹² Then, following Ms. Jones death and the sale of the house, the post office was moved back to its original location in 1975.¹³ The Brinklow Post Office is now operated by postmistress, Mrs. Fagan.

He built a house for his family, selling it in 1890 after which it converted into a general store to capitalize on its excellent location. In 1897 Charles Nichols was appointed postmaster of Brinklow, & the following year he bought the bldg. He remained postmaster 13 years.

Although the post office was inoperative from 1919 to 1921, the general store continued to flourish. Former postmaster Charles Hill purchased the store in 1925, and continued as postmaster until 1945. In 1956, after being associated off and on for 40 years with the business, he sold out to Grace Harris.

The general store was operated until the late 1960's. All the remaining merchandise, including the pot bellied stove that had provided heat in the store since the early days, was auctioned off.

A syndicate bought the building in 1969 and currently rents the building out to the post office and a music store.

STATEMENT OF SIGNIFICANCE

The Brinklow Post Office is one of the few remaining small rural post offices in Montgomery County.

The building sits on a small parcel of land which was once part of a tract known as "Brother's Delight". In 1869 Cyrus Bowen bought four acres¹ of this land in the small hamlet of Brinklow. Here, at the intersection of the main road to Damascus and the road leading to the mill on the Patuxent River, he built a house for himself. Bowen sold the house in 1890 and it is believed that soon afterward the building was converted into a general store to capitalize on its excellent location. In 1897 Charles Nichols was appointed postmaster of Brinklow and the next year he bought the building.² He remained postmaster for 13 years. Thaddeus Mallory took over for 6 years; then in 1916 Charles Hill acquired the job. The post office was decommissioned at the end of 1919.

When service resumed in 1921 Richard Cuff was put in charge. He bought the entire business from Charles Nichols soon after³ and ran it through 1925. At that time Charles Hill purchased the store⁴ and once again became the postmaster of Brinklow. For 20 years he delivered the mail, and after stepping down as postmaster⁵ he owned the store for another ten years. Finally in 1956, after being associated off and on with the business for 40 years, he sold out to Grace Harris.⁶

The general store was operated until the late 1960s. All the remaining merchandise, including the pot bellied stove that had provided heat in the store since the early days, was auctioned off.⁷

A syndicate bought the building in 1969⁸ and currently rents the building out to the post office and a music store.

SITES NOT RECOMMENDED FOR REGULATION UNDER THE
HISTORIC PRESERVATION ORDINANCE CHAPTER 24A OF THE
MONTGOMERY COUNTY CODE

The following sites have been reviewed by the Montgomery County Historic Preservation Commission and were found not to merit designation of the Master Plan for Historic Preservation. If not included in the Master Plan, these resources may be removed from the Locational Atlas and Index of Historic Sites in Montgomery County. If removed from the Locational Atlas, the sites will no longer be governed by the Moratorium on Alteration and Demolition, Section 24A-10 of the County's Historic Preservation Ordinance. The sites will, however, remain on the Maryland Historical Trust's Inventory.

The following sites were found by the Preservation Commission to be too greatly altered from the period of their architectural or historical significance or not to meet Ordinance criteria for designation.
