DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This is a four-bay farmhouse that faces south. The two center bays are twin doors that lead into separate sections of the building. This is because the structure is made out of two, joined log houses (most large, log houses in the County followed this style.) The house is covered with stucco, but the hewn logs can be seen where a one-story porch has collapsed from the front of the building. There is a large fireplace chimney, with a stone base and brick stack, on the external west wall. A frame ell extends to the rear of the house. A ca. 1900 barn and tile silo have caught fire and collapsed.

STATEMENT OF SIGNIFICANCE

Apparently, this was one of the Robertson family homes (of nearby Needwood Mansion) during the mid-to-late 19th Century. Judson Gude owned the farm during the 1930's and '40's.

This house was recently destroyed by fire-was vacant and badly deteriorated for years.

ACTION TAKEN

If not designated, these resources will be added to the following area sites removed from the Locational Atlas as part of previous amendments:

<u>Site</u>	<u>Name</u>	<u>Removed As Part Of:</u>
22/5	Caven/Sabine Farm	May 1983 Amendment
22/6	Newmantown (Ross Wheat)	May 1983 Amendment
22/18	Cashell (Hazel) Farm-Outbuildings	May 1983 Amendment
22/21	Griffith (David) House	May 1983 Amendment
22/22	Cookes Range/Pope Farm	May 1983 Amendment
22/23	Cashell - Tenant House	May 1983 Amendment
22/24	Robertson Log House (Ruins)	May 1983 Amendment

Although removed from the Locational Atlas, all sites would remain on the Maryland Historic Trust's Inventory of State Historical Resources.

In addition to these individual historic sites, the Locational Atlas identifies three historic districts within the planning area. These Locational Atlas Rock Creek districts are:

<u>Atlas #</u>	<u>Site</u>	<u>Location</u>
22/3	Claysville	Olney/Laytonsville Road in the vicinity of Riggs Road
22/20	Redland	North & southeast quadrants, Muncaster Mill and Redland Road
22/23	Derwood Station	Redland & Derwood Road along the B&O Railroad North

These three districts are scheduled for evaluation within the coming year. These evaluations will be processed as a separate amendment to the Master Plan for Historic Preservation. Processing of that amendment should be completed prior to the approval and adoption of this Plan. The historic status of the districts will then be included in the final publication of the Approved and Adopted Comprehensive Rock Creek Master Plan Amendment.

The location and status of all historic resources within the Rock Creek Planning Area that are recognized on the Locational Atlas are shown in the following three figures. (Note: Sites identified in Figure 25 — those recommended for designation or removal by the Preservation Commission — are the subject of this preliminary draft public hearing.)
