DESCRIBE THE PRESENT AND ORIGINAL (if known) PHYSICAL APPEARANCE

The house is now a three-story, frame building with a three bay (south) facade. At either end are rebuilt external chimneys. The central doorway has a transom light; windows are 6/6 double hung sash. There is a two story porch across the facade; it has square posts supporting the roof. The boxed cornice is returned into the gable end; it is bracketed.

The house may have been two stories originally, since the very low pitch of the present roof probably represents an alteration.

The siding is now aluminum.

APPENDIX A

SITES NOT RECOMMENDED FOR REGULATION UNDER THE
HISTORIC PRESERVATION ORDINANCE CHAPTER 24A OF THE
MONTGOMERY COUNTY CODE

The following sites have been reviewed by the Montgomery County Historic Preservation Commission and were found not to merit designation of the Master Plan for Historic Preservation. If not included in the Master Plan, these resources may be removed from the Locational Atlas and Index of Historic Sites in Montgomery County. If removed from the Locational Atlas, the sites will no longer be governed by the Moratorium on Alteration and Demolition, Section 24A-10 of the County's Historic Preservation Ordinance. The sites will, however, remain on the Maryland Historical Trust's Inventory.

The following sites were found by the Preservation Commission to be too greatly altered from the period of their architectural or historical significance or not to meet Ordinance criteria for designation.
