DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This is a huge, Colonial Revival, brick building that follows the Georgian style. The main (east) house is divided into three sections, the middle of which is a projecting bay of three windows, topped by a low dentiled pediment. The basement level is built of a light-dressed quarry stone. The main windows are 12/12. There is a slate roof. There is a lower section, of similar styling, attached to the west of the main building.

SPECIFIC DATES

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

Appears to have been the handsome estate of Irene W. Parker in the 1940's. An opulent, but less detailed estate than the nearby Corby Mansion.
