Property/District Name: Charles E. and Mary C. Summers House Survey Number: PG: 72-31

Project: SHA Highway Improvements for Redskins Stadium Agency: SHA

Site visit by MHT Staff:  no  yes Name \_\_\_\_\_ Date \_\_\_\_\_

Eligibility recommended \_\_\_\_\_ Eligibility **not** recommended

Criteria:  A  B  C  D Considerations:  A  B  C  D  E  F  G  None

Justification for decision: (Use continuation sheet if necessary and attach map)

Based on the available information, the Charles E. and Mary C. Summers House, located at 500 Brightseat Road, would not meet the National Register Criteria for individual listing. The circa 1930 frame dwelling was, as constructed, an undistinguished example of a cottage with little, if any, architectural merit. It has been altered by a brick-faced addition on the front facade and its integrity has been substantially eroded. Therefore, the property does not appear to be eligible under Criterion C. In addition, the property has no known associations with significant events or people and thus is unlikely to be eligible under Criteria A or B. It is located in a rapidly developing area that would not constitute an historic district.

Documentation on the property/district is presented in: Project file, Maryland Inventory  
form PG:72-31
