DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This aluminum sided log house is located at 733 Oak Ridge Drive east of Virginia Avenue in Washington County, Maryland. The house stands on a slight bank at the south edge of the road and faces north. It is a two story, four bay structure which appears to have been built in two sections.

Windows and doors are spaced irregularly in the walls. Some at the upper story retain six over six pane double hung sashes. The main entrance is located in the second bay from the west end of the front elevation. According to the present owner, an 1836 newspaper was found in the wall of the western section of the house.

The roof consists of modern asphalt shingles. The property contains 2.10 acres.
