DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This complex includes a deteriorated two and one half story stone house which was vacant at the time the site was photographed in May, 1976. From the distance at which it was observed, the house appeared to have an irregular door and window placement. It could date from the 1820's or 30's. Also present is a large frame bank barn and related agricultural outbuildings.
