Prepare both a summary paragraph and a general description of the resource and its various elements as it exists today.

The Libs Grocery is a one story concrete structure constructed in a rectangular plan. Behind the grocery is a L-shaped, one-story frame house on a concrete block foundation covered in asbestos siding. Both structure date from the mid-20th century. The commercial concrete block structure is a good example of mid-20th century architecture.

The property is located on the north side of Sandy Hook Road, approximately .15 mile east of Clark Road in Sandy Hook. The structure sits right up on the road. The main facade faces south.

The concrete block structure has a side entrance and a large twelve pane window that is partially obscured by soda and ice machines. It has a flat roof that has wide eaves and large commercial signs attached to it.
