This house is located on the south side of East Frederick Street. It is a two story, three bay brick structure, painted buff. It probably dates from the mid 19th century. Windows have two over two pane sashes beneath wide wood lintels. The main entrance is located in the east bay of the front elevation. There is a transom above the door. Double inside end brick chimneys are located inside the west end wall. The house appears to be in good condition.
