THREE-PART CROSS-GABLE (Telescoping Cross-gable)

Chaneyville, Briscoes Turn Rd. 1900

Private

Three parts, a two-story, three-bay-long by one-bay-deep cross-gable house, adjoined perpendicularly by a similar sized true $1\frac{1}{2}$ story section, followed by a one-story kitchen addition, compose this frame farmhouse. Although this house, like CT-207, has been recently abandoned; it remains structurally intact, presenting a fine subject for renovation.
