

S M -60 NUN'S OAK
Medley's Neck
Private

circa 1825-1840

This small frame house has been considerably altered, retaining only a few features of its 19th century construction date. The two exterior chimneys at one end and several mantels are the most interesting of these. Nun's Oak is 1 1/2 stories high with a gable roof and a three-bay facade. A large, modern addition was made to the house in the early 1970's.
