

S M -203 FOSTER'S NECK
Bushwood
Private

circa 1800/circa 1882

This two-story, five-bay frame farmhouse was built circa 1882 against one brick end wall that remained from a much earlier building. The present building has a centered cross gable at the roof level of the main facade, a four-room and central passage plan and a single chimney at the new end with a one-room addition beyond it. The early wall, laid in Flemish bond, shows the outline of ^a blocked up doorway to the original kitchen.
