DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This large brick building of three stories, with a slight pitched hip roof, is almost identical to the building across the street on the corner of Gay and Poplar, 501-505 Poplar Street. However, it has a heavy, modillioned cornice whereas 501-505 has a cornice with dentils. The upper facade is very plain, with flat arches above the windows. The first story has been altered. The building is in need of paint.

SPECIFIC DATES

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

This commercial building, probably constructed around the turn of the 20th century, is fairly simple and plain in design. Although in need of paint and renovated with little sensitivity, this could be a reasonably attractive building.
