DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

The building occupied by Mary's Restaurant is a two story brick, shed roof building with a corbelled cornice. The original windows with segmental arches remain on the second floor. The windows and doors of the Pitts St. facade commercial floor have been altered to unify the building with the addition to the Style Guide Store next door. Stucco has been applied over the principal facades of the building including the cornice. Also, the main entrance to the buioding was changed from the Williams St. side to the Pitts St. Side. The building is presently in a fair state of repair.
