Description:

Food Rite is located on the northwestern corner of the intersection of Commerce and N. Main Streets adjacent to the south building of the Berlin Hardware Company. It is a 2-story, rectangular red brick building with double occupancy on the commercial level, both being used by Food Rite. Plate glass and wood windows with 3 lite transoms are on the first floor and regular 2/2 windows on the second floor. Rows of headers form segmental arches over the second story windows. Hooded ventilators are set above each upper window. A string course of projecting stretchers bands the building at the middle of the upper story windows.

A cornice of corbelled brick supports headers set on end in a saw tooth pattern and conceals the roof. A wooden bracketed modillion cornice with frieze and dog tooth motif like that of the Treasure Chest and Williams and Shockley Offices exists above the commercial level of the building. A corrugated metal awning is suspended from the wooden cornice out over the sidewalk. The building is presently in good condition.
