Based upon the photograph presented to The Maryland Historical Trust, the house at 3571 Snow Hill Road does not meet the criteria for individual listing in the National Register of Historic Places. The house is located outside of the Town of Girdletree, and therefore, does not have the potential to be located within a NR-eligible historic district. The two-story, two-bay frame dwelling consists of a main block and two-story rear ell, from the last quarter of the 19th century. A 1-1/2-story wing which abuts the rear ell of the main house may incorporate aspects of an older, mid-19th century structure, but has been significantly altered. The dwelling does not have sufficient architectural distinction or integrity to qualify it for listing in the National Register of Historic Places.
