Description:

The Baig House is a 1½-story, 3-bay side-gable cottage on the north side of Sandy Spring Road in the Burtonsville vicinity, Montgomery County. Constructed circa 1940, the building is rectangular in plan with front and rear decks, two gable dormers on the front elevation and one shed roof dormer on the rear elevation.

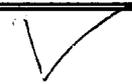

The structure has a side-gable roof, covered with asphalt shingles. It is of concrete block construction which has been stuccoed. The windows are casement aluminum sash. The house has a wood deck on the front, or south, elevation with a simple wood railing.

There are no outbuildings associated with this property.

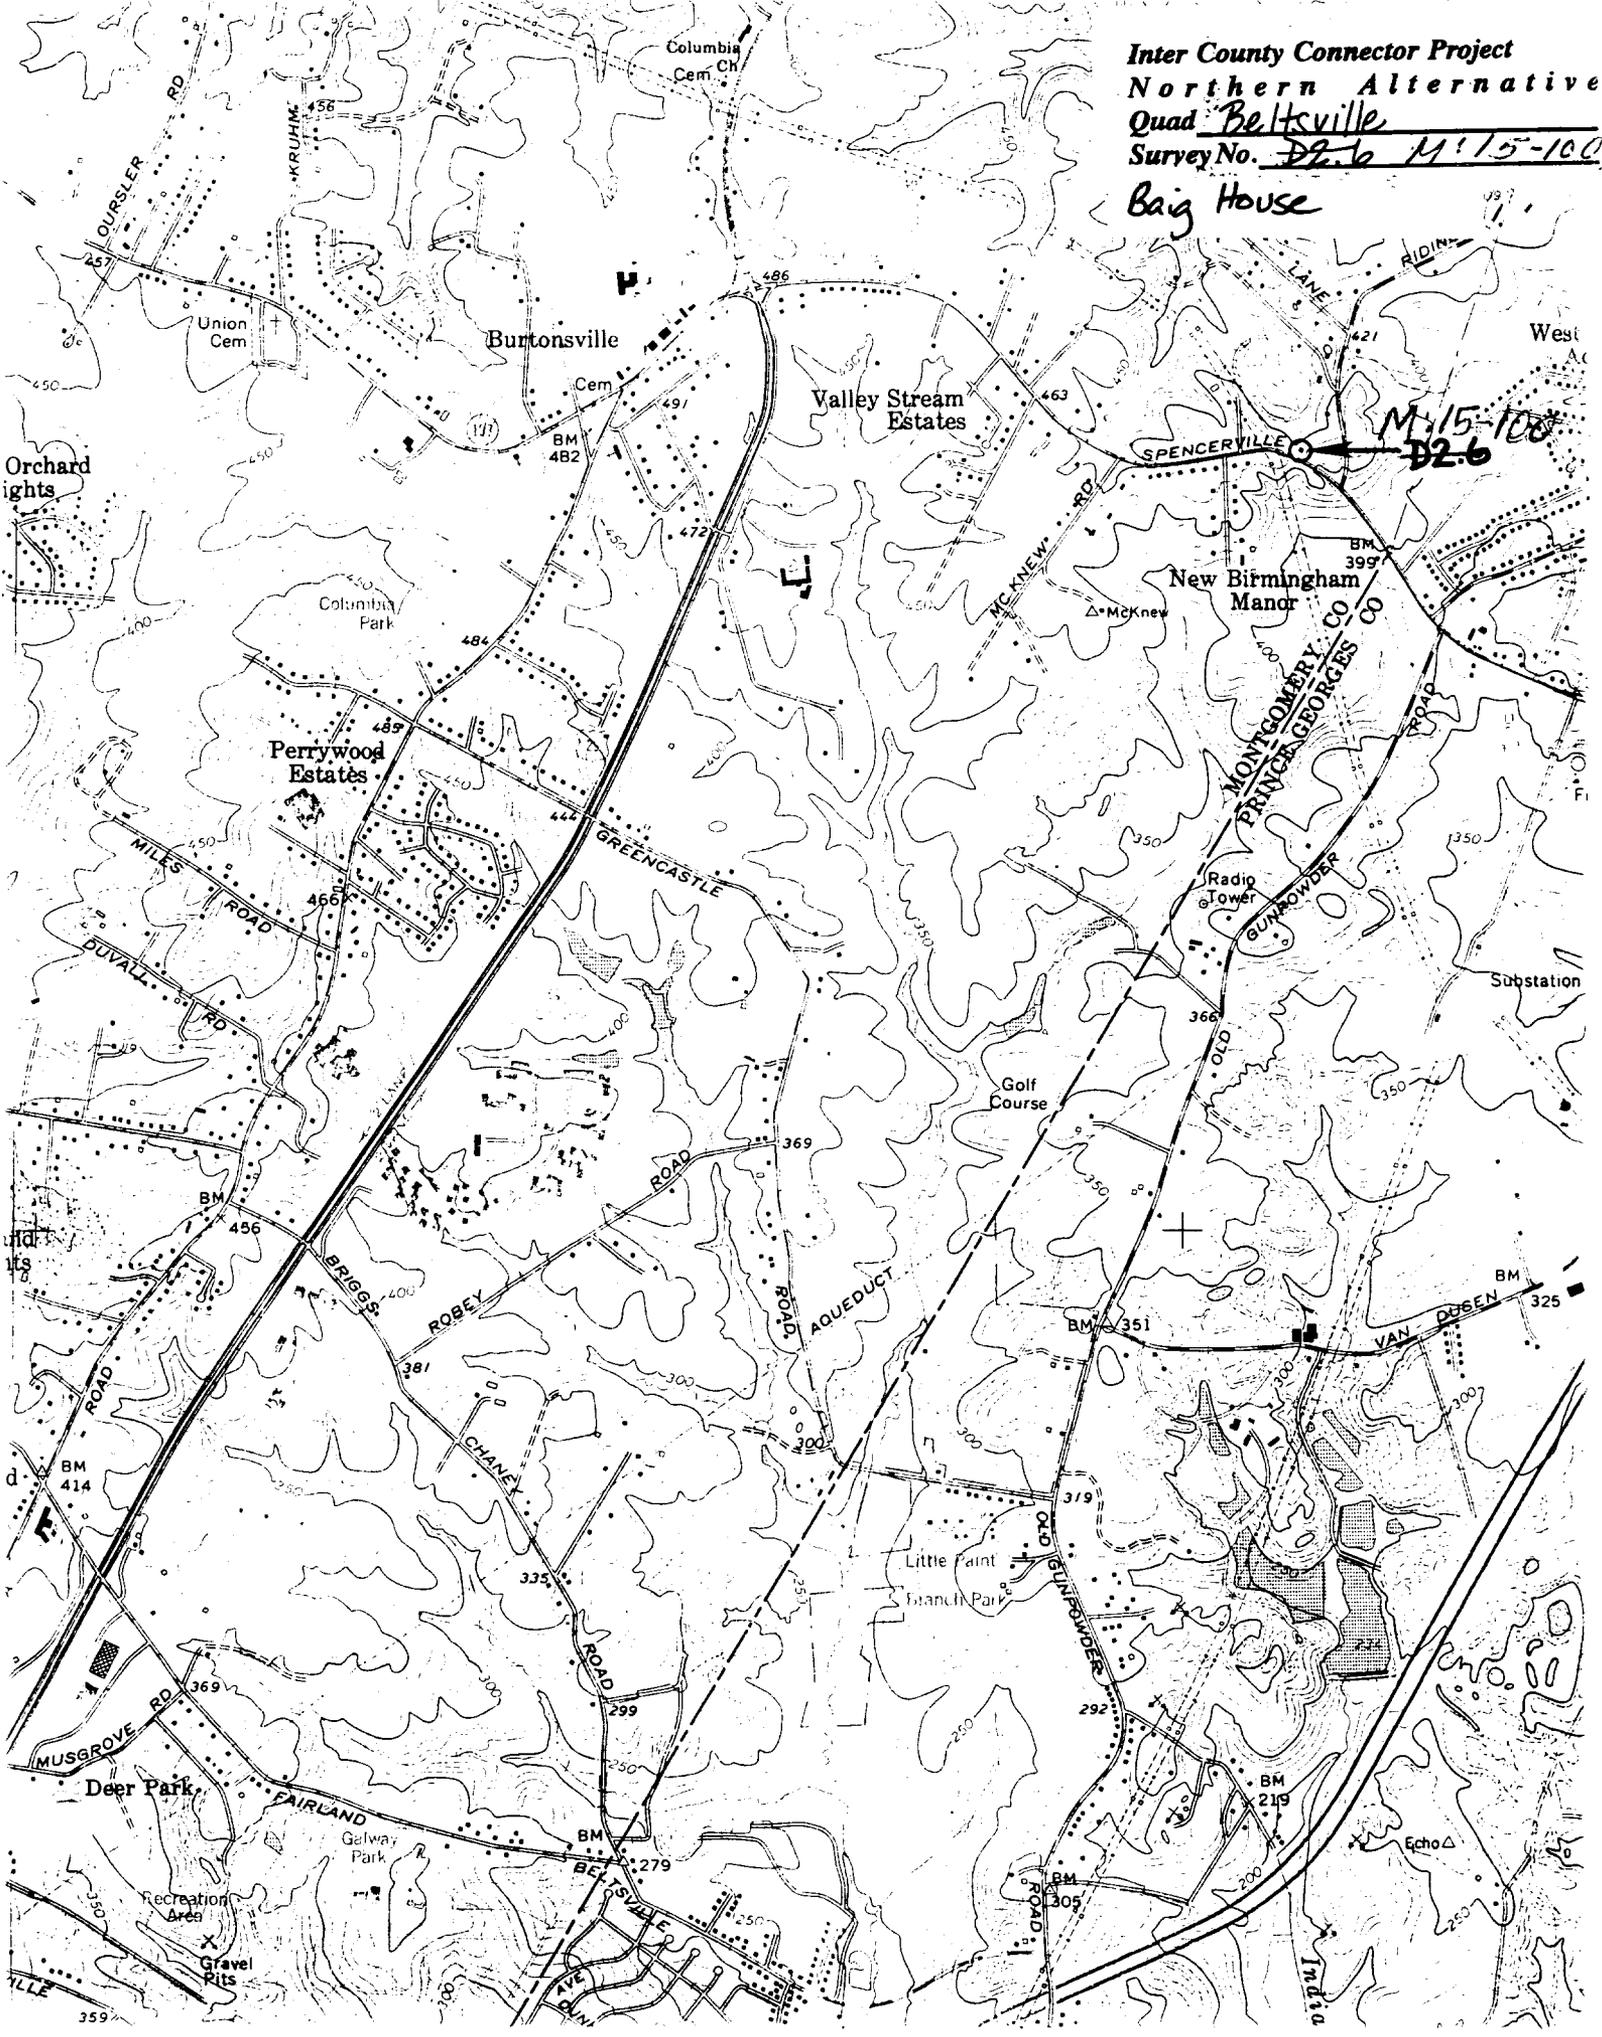

The house is located on the north side of Sandy Spring Road, with residential property to the north and forested land to the east and west. Sandy Spring Road borders the property on the south, which is a four-lane, divided highway where it passes this parcel. The property's setting is suburban with high-density residential and commercial property located nearby.
