Description:

The DeShazor Property is a 1-story, 2-bay cottage with an intersecting gable roof on the west side of Columbia Pike in the Burtonsville vicinity, Montgomery County. Constructed circa 1930, the building is L-shaped in plan. The nook created by the intersection of the front and side-gables is oriented toward the road. Within the intersection is a parallel side-gable addition.

The structure is of wood-frame construction on a concrete block foundation. The exterior is covered with vinyl siding and the roof is sheathed in asphalt shingles. The windows are wood 6/6 double-hung. The house has a small entry porch on the front elevation. The front-gable roof of the porch is covered with asphalt shingles and is supported by two ornamental iron posts. The porch floor and steps are brick. The rear elevation has an entryway with a front-gable hood and a concrete stoop.

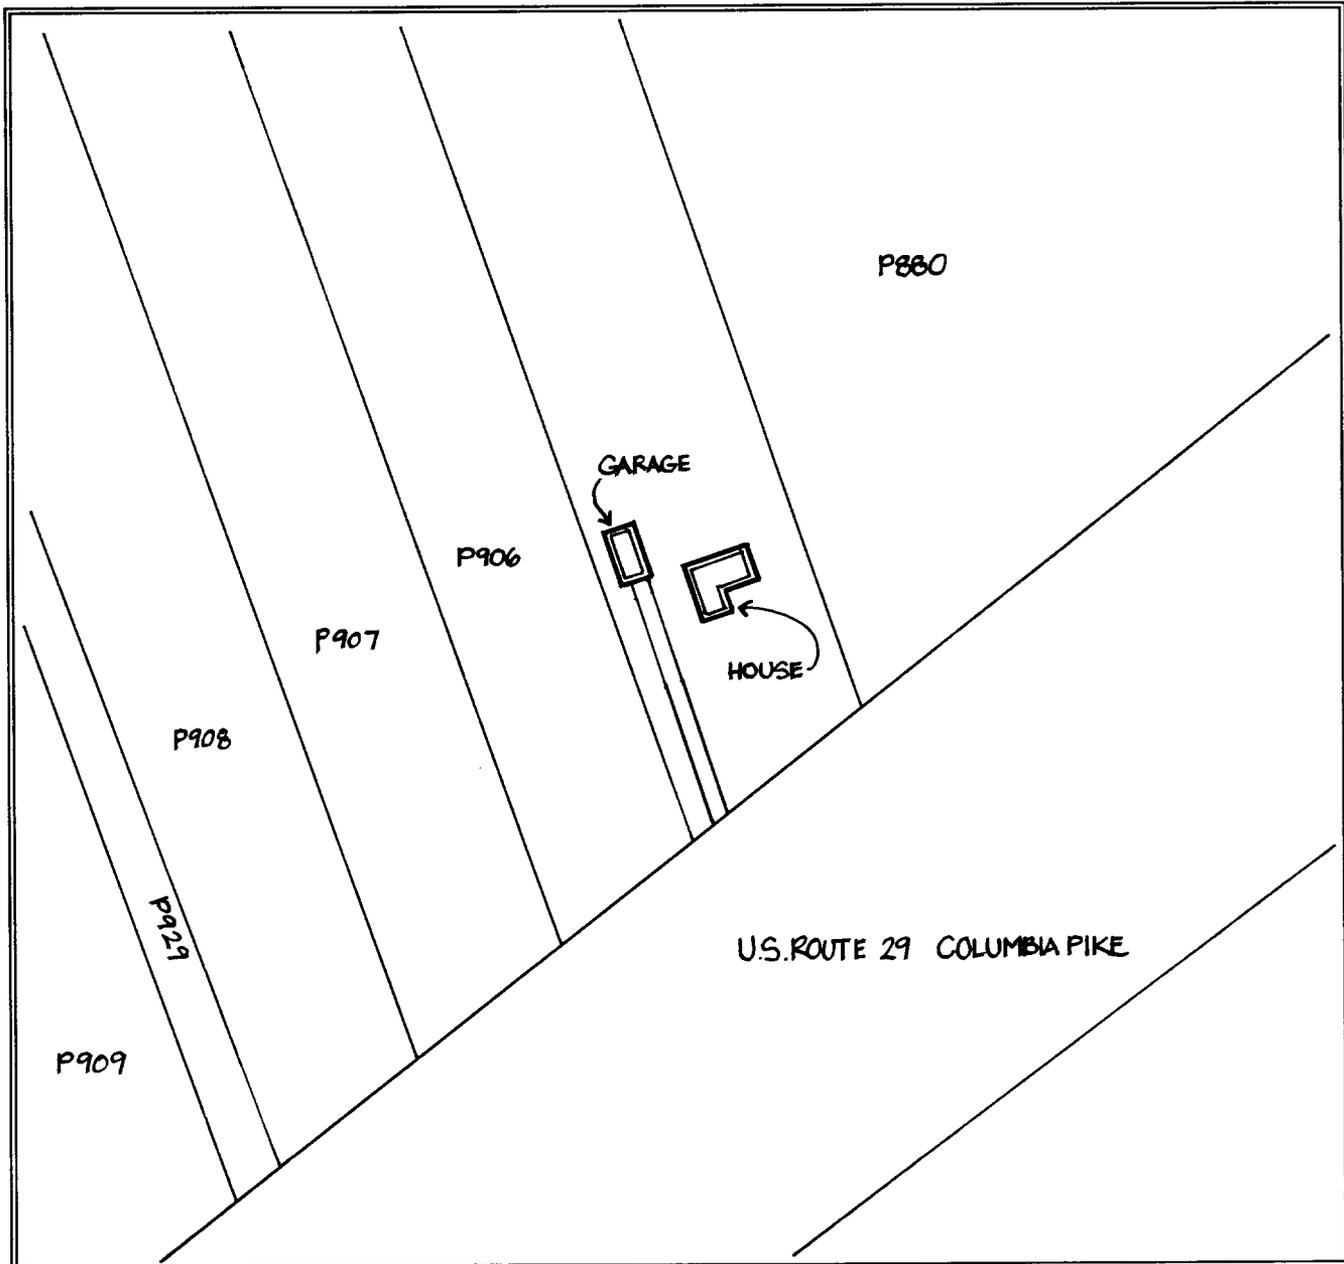

There is one outbuilding associated with this property. A front-gable garage is located south of the house. Constructed circa 1930, the garage is of concrete block construction with an asphalt shingle roof and a metal overhead door.

The property is located on the west side of Columbia Pike with commercial property to the north, forested land to the west, and residential property to the south. The site integrity has been altered by the close proximity of Columbia Pike, a four-lane highway.
