Eligibility recommended ___ Eligibility not recommended X

Criteria: ___ A ___ B ___ C ___ D Considerations: ___ A ___ B ___ C ___ D ___ E ___ F ___ G ___ None

Is the property located within a historic district? X no ___ yes ___ Name of District: _____

Is district listed? ___ no ___ yes ___ District Inventory Number: _____

Documentation on the property/district is presented in:

Compliance documentation submitted by Carol Heeney - Chief of Environmental Planning, Andrews AFB

Description of Property and Eligibility Determination: *(Use continuation sheet if necessary and attach map and photo)*

Eligibility under Criteria A, B or C is not recommended because the 14 antennas are of a standard design used since the Cold War era and do not exhibit any unique characteristics. Also, according to an e-mail message from Carol Heeney, these towers (which only transmit messages) did not transmit any significant Cold War related signals.
