RE: Criminal Expungments

.....

At this time, the Acting Clerk of the Circuit Court for Howard County, Wayne A. Robey, would like to request permission of this Honorable Court to unseal expunged criminal cases which are eligible for destruction pursuant to Maryland Rule 4-215(f).

The clerk is requesting permission so that documents may be removed from the file (which contains a metal clip) and shredded pursuant to Maryland Rule 4-512(g). This task may not be performed without removing documents because the machine which shreds will not shred material other than paper.

The clerk is requesting that the following expunged cases be unsealed:
