MARYLAND GEOLOGICAL SURVEY

LEGEND

- POST ROUTE ESTABLISHED AT CLOSE OF 17TH CENTURY
- MAIN POST ROUTE BETWEEN NORTH AND SOUTH, 18TH CENTURY
- MAIN THROUGH ROUTES PRIOR TO 1780
- - - MONOCASY ROUTE
- - - BRADDOCK'S ROUTE

NOTE.—The Eighteenth Century Maps are deficient as regards the indication of through routes of travel on the lower Eastern Shore. The explanation is probably to be found in the facility of communication by water, making through routes unnecessary.
