

INDEX OF BIRTHS

1951

PLEASE NOTE:

The 1951 index of births has the following breakdown:

1. By Soundex arrangement of the surname, and
2. Within each Soundex group, by the given name of the father, in regular alphabetical order.

(The mother's maiden name is also given as cross-reference)

EXAMPLE:

All children with the surname of Schmidt or Smith are filed under S 530. The next breakdown would be found under the column for the given name. In this column the names are arranged on a straight alphabetic basis, e.g., Charles, David, James, John, etc.
