ADMINISTRATIVE POLICY
(Firearms and Weapons)

The Circuit Court for Worcester County, Maryland hereby adopts the following as its policy on the carrying of firearms and weapons into any area within Worcester County housing circuit court functions:

PURPOSE

To provide the employees, tax payers and visitors a safe and secured environment to work and conduct official business in and around the Worcester County Circuit Court Building located at One West Market Street, Snow Hill, Maryland, the following policy will be implemented and enforced by the Sheriff or the Sheriff's designee.

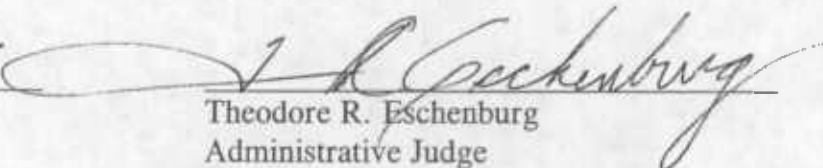

POLICY

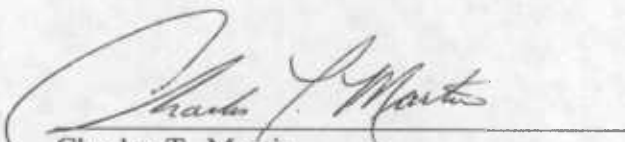

1. The Worcester County Sheriff is responsible for security in and around The Worcester County Circuit Courthouse.
2. All persons entering the building are required to pass through the Metal Detector at the entrance doors. This would be for security reasons and exception may vary depending on National Security Level.
3. Any authorized federal, state, local law enforcement and correctional officers, either in uniform or plain clothes are approved to retain their weapons in and around The Circuit Court for Worcester County while on official business. Plain clothes officers are required during the entire visit to the courthouse to keep their weapons covered and display their agency's official identification badge upon his/her person in a conspicuous manner. The identification badge must be worn on a chain around their neck or clipped to the outside of their left chest jacket pocket area. Official business means they are entering the building in their capacity as a duly sworn law enforcement or correctional officer for the purpose of conducting business on behalf of their department or agency.
4. All weapons will be secured upon or before entering prisoner cell areas, escort hallways and prisoner elevator.
5. All officers are to use extra safety precautions when wearing weapons in proximity of defendants.

WORCESTER COUNTY GRAND JURY

FEBRUARY TERM, 2006

REPORT OF INSPECTION OF COUNTY BUILDINGS

On February 27, 2006, the February 2006 Term of the Worcester County Grand Jury met for its first session and orientation and was instructed by the Honorable Raymond E. Beck, Sr., Judge of the Circuit Court, to inspect the Worcester County Court House, the Worcester County Jail and the Worcester County Roads and Maintenance buildings and to report on their conditions. Accordingly, on that same date, the Grand Jury broke up into three committees and made its inspection and now file our report.

Worcester County Maintenance

The Department of Public Works needs a coffee pot.

Worcester County Roads

No changes were needed.

Worcester County Jail

1. Recommendations:

- a. the ceiling difuser in the meeting room in the administration area shows signs of water damage and should be repaired;
- b. there are a number of heavily trafficked areas in need of painting;
- c. the steps in the work release need to be primed and painted;
- d. the window in the maximum security area by the guards walkway is cracked and should be repaired;
- e. the tables in the day center either need to be resurfaced or replaced with stainless steel tables;

FILED

- f. all visitors (including Grand Jurors) should be required to check their purses before entering;
- g. the control room should have two officers on duty;
- h. staff should secure doors when passing through;
- i. permit the Grand Jury to examine the women's facility at the next tour;
- j. capacity for 100 additional beds is needed;
- k. the jail library needs new and additional books.

2. Commendations:

- a. jail grounds are well kept;
- b. the work release program provides meaningful experiences for the inmates and for their post release vocations;
- c. overall, the facility is in remarkable condition, particularly after 24 years of service.

Worcester County Court House and Government Office Buildings

1. Commendations:

- a. security in the Court House is appropriate in today's climate and seems to be run professionally;
- b. both buildings are very clean and well maintained, both inside and outside;
- c. all personnel with whom we had contact were friendly;
- d. two programs in the Office of the State's Attorney, the Mediation Program and the Victim-Witness Program, are good ideas and worthy of commendation

2. Recommendations:

- a. Office of the State's Attorney:

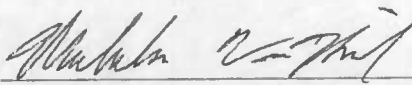

- 1) the office is too small for the number of people working and too spread out to enable optimum supervision. There should not be three lawyers/prosecutors sharing the same office room, especially when dealing with child victims or rape victims. The current layout of the office, with so many professionals working in the same room, leaves little chance for privacy or confidential conversations between attorneys and witnesses and victims;
 - 2) one door in the main secretaries' room is so crowded that an access door is blocked by furniture and unusable
 - 3) digitalizing of old files should be considered as a means of saving storage space;
 - 4) thought should be given to a new office building for the Office of the State's Attorney, with enough room for the office to grow as the local community grows;
- b. Jury Rooms: (petit jury, and grand jury rooms) should be soundproofed, especially the petit jury room for Court Room #3.
- c. Bar Library The bar library should be expanded. It is a very handsome room, but is greatly in need of expansion. Bar library funds should be used to pay for this expansion.
- d. Sheriff's Office The sheriff's area must have mold and water leakage issues resolved immediately due to employee health issues. These issues may not be readily apparent. However, the respiratory damages may cause irreversible damage.
- e. Family Court Conference rooms are needed for the family court so that family court participants do not have to sit in the hallways of the court house. Additionally, a larger work area is needed for the lobby of the Family Court Office.
- Register of Wills Additional space is needed for the Register of Wills Office.
