Dear Sir:

In response to your inquiry of the 14th inst I submit the following:

The license number of the certificate of Dr. Wesley L. Ricker of Long Beach County, Los. Angeles, Calif. is #314 issued 6/12/28 and was revoked Sept. 1929.

In the case of Everett L. Kritzer, Spencer City, Rowan County, North Carolina this record is correct. Dr. Kritzer informed the Board his original certificate had been destroyed. Due to the Board having changed the wording on the license blank and the duplicate being of later improved blank the same was marked "duplicate" No. 127 issued 2/27/23, the date of the original. The official seal was called to my attention by the deputy clerk and, of course, ~~was~~ affixed.

Thanking you very much for calling these matters to the attention of this office, I am

Very truly yours,
