2006

FILES IN BOX 2 MUST BE KEPT FOR 16+ YEARS AS THEY CONTAIN GROUND LEASES THAT ARE IN EFFECT FOR 16 YEARS

13. Regulations

This series consists of approvals of administrative rules promulgated by state agencies submitted to the Attorney General for review before they become effective.

Contents of a typical file may include: proposed and final regulation, Maryland Register notice, drafts, correspondence, memos, notes, history or background documentation, research, etc.

Retention: Retain in office 5 years after publication. Screen files to identify those meeting selection criteria. Transfer selected files to the Maryland State Archives for permanent retention. Destroy all others.

14. Financial Transactions

This series consists of OAG-generated materials relative to the approval of contracts, fidelity bonds, leases, lease/purchases, loans, grants, and inter-agency or intergovernmental agreements involving the transfer of funds, etc.

Contents of a typical file may include copies of: contracts, fidelity bonds, leases, loans, grants; and correspondence, drafts, notes, etc.

Retention: Retain in office 5 years or until administrative value ceases. Transfer to the State Records Center for an additional 5 years, then destroy.

15. Bonds

This series consists of OAG-generated materials relative to bonds and bond counsel.

Contents of a typical file may include: draft bond, financing statements, reports, agreements, related opinions and advice letters, bond issue documentation, correspondence, memos, research, etc.

Retention: Retain permanently. Transfer periodically to the Maryland State Archives.

1. Civil Litigation

This series consists of civil lawsuits filed in state and federal courts against, or on behalf of the state, state agencies, and/or state officials.

This series includes, but is not limited to: affirmative litigation, amicus brief cases, bankruptcies, bid protests, charitable trusts, civil rights, contract disputes, contractor claims, disabilities, foreclosures, forfeitures, garnishments, guardianships, hospital closings, pro bono, torts, unemployment insurance, etc.

Contents of a typical file may include: pleadings, briefs, correspondence, settlement, costs, witness depositions, documents, trial transcripts, research, notes, drafts, file opening/closing memoranda, etc.

Retention A: Retain in office 5 years after file is closed. Screen files to identify those meeting selection criteria. Transfer selected files to the Maryland State Archives for permanent retention. Transfer all others to the State Records Center for an additional 15 years, then destroy.

Retention B: Tort and unemployment insurance. Retain in office 3 years after file is closed. Transfer to the State Records Center for an additional 5 years, then destroy. When a tort matter involves a juvenile and the juvenile has not brought suit or settled, transfer file to the State Records Center for an additional 15 years to provide for the age of majority period, then destroy.

2. Criminal Prosecutions

This series consists of criminal proceedings filed in state and federal courts on behalf of the state involving a broad range of criminal activity.

This series includes, but is not limited to: crimes by state employees, fraud against the state, public corruption, fraud by health care providers and equipment suppliers receiving medicaid funds, patient abuse and neglect crimes, violations of the Maryland Antitrust Act and environmental statutes, and all crimes for which the Attorney General has authority to investigate and prosecute.

Contents of a typical file may include: charging documents, trial summons, pleadings, correspondence, grand jury subpoenas and evidence, tax returns, credit reports, police reports, transcripts and memoranda.
