LEWIN W. WICKES,
ATTORNEY-AT-LAW,
CHESTERTOWN, MD.

LOCAL AND LONG-DISTANCE PHONE, 45.

Chestertown, Md. May 15th. 1906.

Dear sir:-

By reason of the provisions of a law passed by the recent Legislature, knowledge of which did not reach me until very recently, the method of making your valuations of personal property for purposes of assessment, must in a measure be changed.

Under the law, as now amended, the owner of personal property is not required to personally furnish a written list of his property to the assessors, nor to place a valuation on same, nor is he required to make oath to any list of his property.

You will therefore in making out your future valuations, schedule the personal property of each owner without requiring such owner to personally write a list of his property or place a valuation thereon, or make affidavit to any list of same. It is desirable to complete the assessment as soon as it can be properly accomplished.

Yours truly

Lewin W. Wickes

To County Commissioners.
