Equipment.....	1-7
Course Introduction.....	1-9
Welcome to the <i>Records Emergency Planning and Response Webinar</i>	1-10
iLinc Overview	1-19
Webinar Etiquette	1-23
The IPER Project	1-26
Previously, in the Essential Records Course.....	1-32
Why Are We Here?.....	1-34
Course Organization and Agenda	1-36
Course Objectives	1-39
Course Materials	1-40
IPER Resource Center	1-41
Getting to Know You.....	1-44
Records Emergency Planning and Response Pre-Test	1-49
Session 1 Introduction.....	1-55
Session 1 Overview.....	1-55
Module 1—Preparing a Records Emergency Action Plan.....	1-57
Module 1 Introduction and Objectives	1-59
Module 1 Introduction	1-59
Module 1 Objectives.....	1-60

Lesson 1: Overview of Emergency Planning and the REAP 1-63

- Emergency Management Terms 1-64
 - Incident 1-64
 - Emergency 1-65
 - Disaster 1-65
 - Response 1-66
 - Recovery 1-66
- Phases of Emergency Management 1-67
 - Mitigation..... 1-68
 - Preparedness 1-69
 - Response 1-70
 - Recovery 1-70
- Federal Guidance on Emergency Preparedness and Response 1-72
 - National Response Framework (NRF)..... 1-73
 - National Incident Management System (NIMS) 1-75
 - Incident Command System (ICS) 1-77
 - National Continuity Policy 1-82
 - Developing and Maintaining State, Territorial, Tribal, and Local Government
Emergency Plans—Comprehensive Preparedness Guide 101 (CPG 101) 1-83
 - FEMA Continuity Guidance for Non-Federal Entities..... 1-85
- Emergency Response—How it Works at the State and Local Levels 1-88
 - Initial Response..... 1-89
 - Continuing Demands 1-90
 - The Payoff of Planning and Training..... 1-90
- What is a Records Emergency Action Plan (REAP)? 1-94
 - How Does the REAP Fit With Other Disaster Plans? 1-96
 - Disaster Plan vs. REAP vs. COOP Plan 1-97
- Benefits of a REAP 1-98
 - Fast, Appropriate, and Effective Response..... 1-99
 - Rapid Resumption of Operations..... 1-100
 - Increased Appreciation of the Importance of Good Records
Management Practices 1-100
 - Protected Records Equal Protected Rights and Government Accountability..... 1-101

Lesson 2: Planning for the REAP 1-1-105

- Identify the Disaster Plans and People Relevant to Your State,
Locality, and Agency 1-106
- Determine Goals and Timetables 1-107
 - Stages of a REAP Project 1-108
 - Consider Developing an Interim Plan 1-109
- Assess the Fiscal Implications of Creating a REAP 1-110
- Create Your REAP Teams 1-111
 - Forming the Action Team 1-113

Session 1 Review and Wrap-Up 1-119

- Session Review 1-119
- Take-Home Activity: Develop Your REAP—First Steps 1-127

SESSION 2

Session 2—Administration Page	2-1
Duration	2-1
Scope Statement.....	2-2
Session Objectives	2-3
Instructor to Participant Ratio.....	2-3
Methods.....	2-3
Practical Exercise.....	2-4
Sources of Course Content.....	2-4
Instructional Materials	2-4
Equipment.....	2-5
Session 2 Introduction.....	2-7
Session 2 Welcome and Overview	2-7
Take-Home Activity Debrief.....	2-13
Session 1 Activity: Develop Your REAP—First Steps	2-13
Module 1—Preparing a Records Emergency Action Plan (REAP).....	2-17
Module 1 Introduction and Objectives	2-19
Module 1 Introduction	2-19
Module 1 Objectives.....	2-20
Lesson 3: Developing the REAP	2-21
Characteristics of the REAP	2-22
Components of the REAP.....	2-23
Introduction.....	2-24
Policy Statement	2-25
Responsibilities and Authorities	2-25
Communication Plan.....	2-28
Emergency Contact Directory.....	2-33
Locations of Essential Records.....	2-40
Records Salvage Priorities	2-40
Supplies.....	2-46
Financial or Funding Information.....	2-48
Vendors and Suppliers	2-49
Statement of Work, Contract, and Memorandum of Understanding.....	2-51

Facility Information	2-54
Staging Space.....	2-55
Preparedness, Response, and Recovery Procedures	2-55
Training, Testing, and Updating	2-60
Appendixes	2-62
Resources for Help.....	2-64
Pocket Response Plan (PReP).....	2-65
“dPlan”	2-68
Heritage Preservation’s Field Guide and Wheel.....	2-70
Lesson 4: Maintaining the REAP	2-73
Five Steps for Success	2-74
Distribute the REAP	2-75
Promote the REAP.....	2-77
Train REAP Team Members and All Personnel.....	2-78
Test and Validate the REAP	2-79
Review and Update the REAP	2-82
Session 2 Review and Wrap-Up	2-85
Session Review	2-85
Take-Home Activity: Test a REAP and Develop Your REAP’s Table of Contents	2-88
Activity Setup	2-89

SESSION 3

Session 3—Administration Page	3-1
Duration	3-1
Scope Statement.....	3-2
Session Objectives	3-3
Instructor to Participant Ratio	3-4
Methods.....	3-4
Practical Exercise.....	3-4
Sources of Course Content.....	3-4
Instructional Materials	3-5
Equipment.....	3-6
Session 3 Introduction.....	3-7
Session 3 Welcome and Overview	3-7
Take-Home Activity Debrief.....	3-13
Session 2 Activity: Test a REAP and Develop Your REAP’s Table of Contents.....	3-13
Answer Sheet—Test the REAP	3-21
Module 2—Records Emergency Response and Recovery.....	3-27
Module 2 Introduction and Objectives	3-29
Module 2 Introduction	3-29
How Bad Can It Get?.....	3-31
Records Emergency Response and Recovery—Terms, Concepts, and Tips.....	3-33
Module 2 Objectives.....	3-39
Lesson 1: Assessing the Damage to Records.....	3-41
Assess the Nature and Severity of the Damage	3-42
First Steps.....	3-42
Determine Whether the Incident is Small-, Medium-, or Large-Scale	3-44
Initial Coordination for Medium- and Large-Scale Incidents.....	3-47
Communicating Records Concerns and Priorities	3-47
Initial Coordination Meeting with Assessment Team	3-49
Assessment Team Roles and Responsibilities	3-51
Assessment Coordinator	3-52
Facility Services Manager.....	3-53
Records Specialists and Preservation Specialists	3-54

Carry Out the Assessment of the Damage to Location and Space, Then to Physical Records.....	3-55
Entering the Area Where the Damage Has Occurred	3-56
Use All Five Senses	3-57
Safety—Use Common Sense!.....	3-58
Document the Volume and Extent of Damage	3-60
Identify Which Records Are Affected	3-64
Determine Response and Recovery Priorities for Damaged Records	3-67
Communicate Your Findings	3-68
Lesson 2: Developing the Response	3-71
Transferring Authority from the Assessment Team to the Response Team.....	3-72
Decisions to Be Made	3-72
Use Your REAP	3-73
Response Team Roles and Responsibilities.....	3-74
Response Coordinator.....	3-76
Response Recorder.....	3-77
Archivists and Conservators	3-77
Definition of an Incident That Can Be Handled In-House	3-80
Definition of an Incident That Will Require External Resources and/or Contractors.....	3-82
Plan for Staffing the Response and Recovery Stages	3-83
Small-Scale Incidents.....	3-84
Large-Scale Incidents.....	3-85
Determine Response Priorities.....	3-87
Set Up the Emergency Operations Center	3-88
Designate a Spokesperson.....	3-88
Activate the Notification System	3-89
Meet On Site	3-91
Plan for Supply and Equipment Deployment or Purchase.....	3-92
Plan the Record Tracking System.....	3-93
Plan for Contractor Response	3-97
Prepare the Contract Task Order and Deliverables.....	3-97
Contractor Services and Equipment.....	3-99
Deliverable(s) for Records Emergency Response and Recovery Task Order	3-99
Document Your Response Plan	3-100

Lesson 3: Implementing the Response	3-103
First Priority—Personal Health and Safety During Response	3-104
Personal Protection Equipment	3-104
Personal Hygiene Rules	3-105
Prevention of Dehydration, Exhaustion, and Injury	3-105
Decontaminating Equipment and Clothing	3-106
Working With Mold and Other Contaminants	3-107
Second Priority—Security and Privacy	3-108
Security	3-108
Privacy	3-109
Initial Action Steps—Within the First 48 Hours	3-110
Session 3 Review and Wrap-Up	3-115
Session Review	3-115
Resources for Help	3-121
Take-Home Activity: Develop Your REAP—Decision Maker, Site Assessment, Goals and Timetables, or Action Team Activity	3-123
Activity Setup	3-125

SESSION 4

Session 4—Administration Page	4-1
Duration	4-1
Scope Statement.....	4-2
Session Objectives	4-3
Instructor to Participant Ratio	4-3
Methods.....	4-4
Practical Exercise.....	4-4
Sources of Course Content.....	4-4
Instructional Materials	4-4
Equipment.....	4-5
Session 4 Introduction.....	4-7
Session 4 Welcome and Overview	4-7
Take-Home Activity Debrief.....	4-15
Session 3 Activity: Develop Your REAP—Decision Maker, Site Assessment, Goals and Timetables, or Action Team	4-15
Module 2—Records Emergency Response and Recovery.....	4-21
Module 2 Introduction and Objectives	4-23
Module 2 Introduction	4-23
Module 2 Objectives.....	4-24
Lesson 4: Recovery Procedures	4-27
Set Up the Recovery and/or Staging Areas.....	4-28
Recovery Area	4-28
Staging Area.....	4-29
Requirements for Recovery and Staging Areas.....	4-29
What If You Don't Have Room for a Staging or Recovery Area?.....	4-30
Pack-Out Guidelines	4-31
Packing-Out Boxes	4-32
Identification for Tracking.....	4-33
Stacking Pallets for Transport.....	4-34
Take Breaks!	4-35

Special Procedures for Specific Types of Damage.....	4-36
Fire-Damaged Records	4-37
Muddy Records.....	4-37
Contaminated Records.....	4-37
Should Records Be Kept Wet and Recovered by a Specialized Contractor?	4-38
Steps for Handling Mold.....	4-39
Small Outbreaks.....	4-39
Larger Outbreaks	4-40
Cleaning the Location Where Moldy Records Were Found.....	4-41
Paper-Based Records that Require Special Handling.....	4-42
Large or Oversized Paper (Maps, Architectural or Engineering Drawings)	4-42
Coated Papers.....	4-42
Encapsulated and Shrink-Wrapped Records.....	4-43
Loose Paper or Paper Held Together with Fasteners.....	4-44
Bound Volumes	4-44
Handling of Special Media Records	4-49
Photographs.....	4-49
CDs and DVDs	4-53
Computer Hard Drives.....	4-54
Magnetic Tapes.....	4-55
Additional Tips on Handling Damaged Records.....	4-56
Implement Contractor Response.....	4-58
Oversight of Contractor On Site	4-59
Oversight of Contractor Off Site.....	4-60
Complete After-Action and Post-Event Reports.....	4-61
Staying Up-to-Date With Recovery Techniques	4-63
Overview of Common Drying Methods	4-65
Air Drying.....	4-66
Air Drying with Added Heat (Desiccant or Dehumidification Drying)	4-66
Vacuum Freeze Drying.....	4-67
Vacuum Thermal Drying	4-67
Thermal Vacuum Freeze Drying	4-68
Freeze Drying.....	4-68
NARA’s Study of Drying Techniques.....	4-70
The Results of the Comparison.....	4-70
Lessons Learned.....	4-71

Course Summary	4-77
Course Review	4-77
Next Steps	4-83
Next Steps Worksheet.....	4-85
Course Evaluations and Course Certificates.....	4-90
Records Emergency Planning and Response Post-Test.....	4-93

HANDOUTS AND REFERENCES

Handouts (located behind the Handouts tab)

Session 1 Handouts

Handout 1.1—Develop Your REAP—First Steps Activity

Session 2 Handouts

Handout 2.1—Emergency Contact Directory Template

Handout 2.2—Essential Records

Handout 2.3—Sample Records Priorities List

Handout 2.4—Supplies and Equipment List

Handout 2.5—Initial Damage Assessment and Response Checklist

Handout 2.6—Components of a REAP

Handout 2.7—Pocket Response Plan Template

Handout 2.8—Test a REAP and Develop Your REAP's Table of Contents Activity

Session 3 Handouts

Handout 3.1—Sample Pack-Out Tracking Log

Handout 3.2—Response Plan Template

Handout 3.3—Personal Health and Safety During Response

Handout 3.4—Emergency Response Checklist: First 48 Hours

Handout 3.5—Develop Your REAP—Decision Maker, Site Assessment, Goals and Timetables, or Action Team Activity

Session 4 Handouts

Handout 4.1—Response and Recovery Procedures

Handout 4.2—Sample Records Emergency After-Action Report

Handout 4.3—Sample Post-Event Report

Handout 4.4—Common Drying Methods
