

Printing Instructions (Instructor Guide):

1. The REPR Webinar Instructor Guide is designed to be printed double-sided. Single-sided printing could yield unexpected results.
2. The PDF files have been compressed for faster downloading. Compression can reduce the clarity of some graphics or slide thumbnails.
3. The course will fit in a 1-1/2 inch 3-ring binder
4. Tabs, Spine, and a CD Label files have been provided for your convenience.
5. To create the IG Binder, download and print the following files (double-sided):
